

Tenk Sammen consent form

Exempt from public disclosure, cf. Public Administration Act §13 / Freedom of Information Act §13
(offl §13/forvl §13)

To provide quality services to pregnant women, children, and young people in Sandefjord, it is sometimes necessary to share information. This allows services to collaborate and support each other in offering the best possible assistance. To share confidential information, we must obtain consent from the child, parent, or legal guardian.

This consent is limited and applies to:

- ☐ I/we do not consent
- ☐ I/we consent to the responsible caseworkers in the services below sharing information and necessary details about:

| | | |
|----------|---------------------------------|---------------|
| Name: | Personal ID number (fødselsnr): | Phone/mobile: |
| Address: | Postal code: | Town: |

The consent applies for the period: _____

Informed consent means that:

- I/we have been informed that we have the right to refuse the sharing of information about specific matters, or to restrict the sharing to certain professional groups or individuals. This does not limit the legal duty of professionals to report to child welfare services or NAV.
- I/we consent to the sharing of information with the mentioned services to help ensure comprehensive and coordinated support that best meets the needs of the child, youth, and family.
- I/we have been informed that the purpose of sharing information is to provide the child with the best possible support, and that the information shared will be limited to what is necessary in the given situation.
- I/we are aware of the child's rights, including the right to participate in all matters affecting them. The child's views shall be given increasing weight according to age and maturity, and from the age of 12, the child's opinion shall be given significant consideration.

In this context, I/we consent to the collection and sharing of information necessary for collaboration in the best interest of the child/youth/family from the following service providers:

- ☐ School
- ☐ Before- and after-school program (SFO)
- ☐ Nursery (barnehage)
- ☐ Children's services (barnevernstjenesten)
- ☐ Educational psychological services (PPT)
- ☐ General practitioner (fastlege)
- ☐ Health station (helsestasjon)
- ☐ Norwegian labour and welfare administration (NAV)
